

I'm not robot!

Strongest Talent
ADAPTATION
You are able to adjust to changes in the workplace while maintaining a positive demeanor.

Adaptation includes the following competencies:

Preparing for change
Anticipating change and planning for possible contingencies which involves:

- Anticipating problems and choosing forward-thinking solutions
- Developing plans to accomplish the work
- Identifying and developing solutions to potential problems

Responding to change
Effectively reacting, responding, and adapting to change which involves:

- Persisting through ambiguity and change
- Remaining calm and level-headed in the midst of change
- Rebounding from the challenges associated with change
- Adjusting to change and integrating changes into existing plans and procedures

Embracing uncertainty
Demonstrating composure and resilience when faced with setbacks, ambiguity, and stressful situations which involves:

- Maintaining productivity during times of change
- Operating effectively in stressful situations and procedures

As an individual, you are able to adjust to changes in the workplace while maintaining a positive demeanor. Adaptation includes the following competencies:

Preparing for change
